Dear Nita:

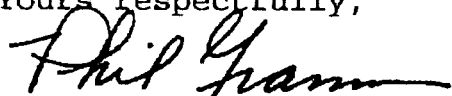

I want to extend my sincere congratulations to you and your company for being named to the eighth annual Tarrant Export 40 list. Because export activities help support the economic development of the greater Fort Worth area, I am pleased to acknowledge your contribution in this area.

Texas contributes greatly to our nation's economic well-being through export sales activities. Our state exports everything from agricultural crops and transportation equipment to electronics and many more products. As you probably know, Texas ranks second only to California in export sales, and both Canada and Mexico are our state's most important export destinations.

As one of those listed in the Tarrant Export 40, your company is a proven leader in export sales. Again, I offer my congratulations on your fine achievement.

May your future endeavors be as rewarding and successful.

Yours respectfully,

PHIL GRAMM
United States Senator
